Offering financing and acquisition solutions for death care industry professionals:

Overall —  
If you may be thinking of refinancing  
or  
acquiring a death care-related or other facility  
or  
if it's your first acquisition,  
please give us a try.

We know we can help to relieve pressure and uncertainty and get you a cost-effective future!

## Services Re-Cap

- \* CPA/tax professional consultation will more than likely prove cost-beneficial
- \* Refinancing and acquiring of funeral homes. (References available upon request).
- \* Solving financing or re-financing problems with new or existing lenders
- \* Funeral home experts in cash flow/asset/insurance analysis
- \* Recommendation of licensed professionals who have saved 30/40% on capital gain taxes to our clients

INITIAL CONSULTATION WILL LAY GROUNDWORK FOR SUCCESSFUL COLLABORATION!

Often with the following basic information during initial consultation, Hudson&Hudson can effectively serve your operations:

- \* Are you refinancing or acquiring a funeral home or other facility?
- \* Is this your first acquisition? (We're confident we can smooth out the process and make it lucrative in the long-run.)
- \* Are you thinking of acquiring an insurance company?
- \* What type of death care insurance plans do you accept ?
- \* Approximately, how many calls does your home get per year ?
- \* Approximately, what are your operations' gross revenue?

With the above information, we'll be well on our way for a mutually beneficial relationship of the highest ethical nature.

Sincerely,  
John Lee Hudson (CEO), Senior Partner  
Darrell Eugene Costa (COO) Senior Partner
